Reports:

Fall sport teams were very successive this year with many teams going on to sectional playoffs. Jamie Loeb made it to state playoff in tennis. Boy's and girl's soccer received many accolades. Modified football went undefeated. Cross country made league title.

Concession has made net profit of \$6419.00 for the fall season. Figures are down from last year about \$900.00 due to weather and homecoming differences. Trailer will be moved shortly to AMD during the winter months and repainting will be looked into.

Merchandise/membership figures were unavailable but total membership is lower this year compared to same time last year. 2009 total members 78: 53 MVP and 53 renewals. 2008 total membership at this time: 117 and 43 MVP. 2007 total membership at this time 111. Discussion continued about how to get more members and parents of younger students involved. Ideas suggested: Reach out personally to coaches, target a special sporting event with large attendance and solicit members and communicate and promote OABC with coaches at the modified level. Kay suggested forming a committee to promote the boosters and reasons to join. Andrew makes a motion to form the committee: Dayle seconds: all in favor.

Carole absent to provide treasurer's report, also computer problems will have an update next month's meeting. Approximately \$25,000.00 available in accounts with more than \$9,000.00 already needed for existing programs.

New Business

What can we do to keep the scoreboard operational until the school runs an electric line to it.
